

Wanderers Hit Seven

REVELLING in the luxury of scoring goals, a sharper, more confident Wycombe Wanderers severely reprimanded a Bicester Garrison side which had the temerity to score first at Loakes Park on Tuesday in a Smith Memorial cup semi-final game.

Oxford City, who are also in the competition, had beaten Garrison 5-0 two weeks ago and Wycombe were flat out to improve.

After the soldiers had taken a shock 16th minute lead Paul Bates juggled in a solo equaliser

eight minutes later and Rockell, James—with a wonderful 30 yards drive — and Bates again made the score 4-1 at half time.

Len Worley, who set up several of the goals, sent Rockell through for a fifth after half time. Tomlin added the sixth with a powerful in-off drive which hit the goalkeeper and Rockell headed a seventh.

Gallant Bicester scored a late consolation goal.

The army side were not so out-classed as the score suggests but Wanderers won as they pleased.
